Lunch and Advisory Committee Meeting at noon at the Pump House Trail Head

Advisory Committee Agenda

1. How did today's organization work for everyone?
Suggestions for improvement.
2. Bridge update - Kinsey
3. Only 1 work party in Nov & Dec, due to holidays.
Will do Advisory Committee meeting those sessions
4. How is our communication working for everyone? Email, website, social media. Would anyone prefer getting updates through text or social messaging?
5. Questions, concerns, suggestions
6. Planning Meeting/Dinner count

Teams

Borrow Pit Team (4 people)

Description: Working on upper portion of borrow pit near Big Rock. Remove organic material on surface. Load buckets $\frac{1}{2}$ full of mineral soil, dump in power carriers.

- 1 Lead =
- 2
- 3
- 4

Drivers (5 people)

Description: Carry soil from borrow pit to trail site. Dump & spread soil. In the morning, go to the borrow pit on the east side. Driving between trail site and borrow pit.
